The leader and co-leader of WP3, University of Pavia and South East European University, respectively published finalised version of European Strategic Framework for Computing Education and Training 2020 (ESFCET 2020-printed book, ISBN 978-88-98567-21-8). It has been printed in 150 copies and provided on 150 CDs. The main idea is that not only every partner receives a copy, but it is also distributed to other universities, libraries, and to policy makers in the field of higher education.

The leader and co-leader of WP4 published fourth version of final of version of European Evaluation Framework for Computing Education and Training 2020 (EEFCET 2020-v1.3). It has been uploaded to the ETN FETCH official WEB site for opening discussion among the partners. Finally final version of EEFCET 2020 was ready. It has been printed in 150 copies and provided on 150 CDs. The main idea is that not only every partner receives a copy, but it is also distributed to other universities, libraries, and to policy makers in the field of higher education.
