Virtual Meeting: Analysis of the First evaluation period. & Planning the Second evaluation period

The partners are asked to participate the virtual meeting organised by Rositsa Doneva (WP7 Leader) by using <http://fetch.ecs.uni-ruse.bg/forum/viewtopic.php?t=32>. Following issues were discussed among the partners to carry out quality assurance plan of ETN FETCH.

Issues of discussion were:

1. Analysis of the past QA activities (First evaluation period) – Please provide suggestions and comments (if any)
2. Planning the evaluation of Meetings, Workshops and Conferences –

Third Meeting preparation and COMPSYTECH'15 paper evaluations:

16-th International Conference on Computer Systems and Technologies (CompSysTech'15) with the Second FETCH Scientific Co-Event – Workshop “Advances in high performance information services for digital, multilingual education (AHPISDME)” will be organised on 26-27 June 2015, Dublin, Ireland. Third project meeting with the partners will take place during the conference as well. Thus together with host of this organisation an intense work have been implemented to organise international conference, workshop and project meeting under the leadership of the project coordinator. The evaluation of the submitted manuscripts was completed. The authors were notified about the results.

For more information please visit <http://www.compsystech.org/>

The leaders and co-leaders of 9 workpackages of the project have implemented activities for the tasks of the related workpackage.
